

Sheer Luxe Leather Balsam

Directions for use:

Apply sparingly with a soft clean sponge or cloth to clean dry tack and massage gently into the leather. For best results clean tack before use with Leather Cleanse & Condition.

NAF recommend a small patch test in an unseen area prior to initial use.

Key ingredients Lanolin, Beeswax.

Caution: Do not use on unsealed aniline or untreated leather, nubuck or suede. For external use only. Replace lid after use. Store in a cool, dry place.

Sheer Luxe

LEATHER

Balsam

An intensive conditioner designed to penetrate and nourish tack, keeping it luxuriously soft and supple. With free sponge inside for easy application.
